Silent Auction Instructions

1. Write your bid on the bid sheet for items of interest. Write your name (first and last) legibly and a phone number in case you need to leave before the auction closes.
2. Pay attention to the minimum bid and bid increments. You must increase bids by the minimum increment or more.
3. You can increase your bid as many times as you'd like till bidding closes. We will be closing the bids in groups (pay attention to the group # on the table).
4. Once bidding closes, volunteers will determine the "winner." Please see the check-out table and pay for your item.
5. Cash, checks or credit cards will be accepted. We would appreciate you staying till the end to pay for and collect your item. If you **MUST** leave early, we will arrange to get your item to you.
6. Winning bidder is committed to purchase the item.
